## NEXT ON THE MAIN STAGE

### The Diary of Anne Frank

A Testimony of Unrelenting Resilience in the Face of Evil

Written by Frances Goodrich & Albert Hackett; newly adapted by Wendy Kesselman

Directed by Joshua Bates

**September 27, 28, October 3, 4, 5 @ 8pm, September 29 & October 6 @ 3pm**

"I want to go on living even after my death!" The classic story receives a new adaptation by Wendy Kesselman in The Diary of Anne Frank. Based on survivor testimonies and rediscovered writings from her diary, Anne Frank emerges from history a living, breathing woman, one constantly grappling with her changing life and the horror that lurks outside her door. As her group of eight hides from the Gestapo, The Diary of Anne Frank offers an unflinching look at their confined existence and all that comes with it. This is a new version for a new generation, an impassioned testimony to the resilience and fragility of the human spirit in the face of overwhelming darkness.

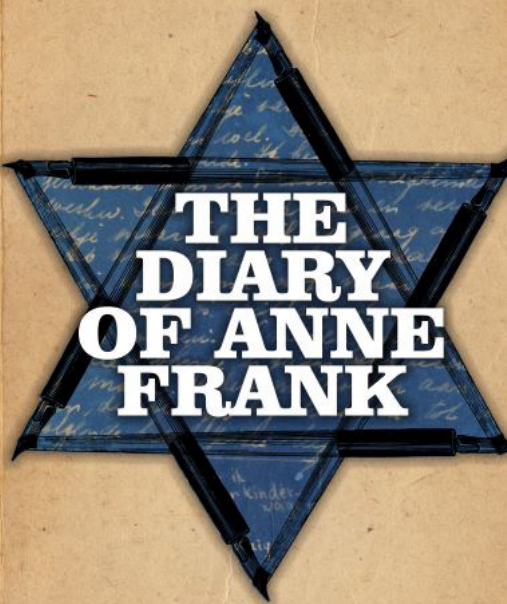

Rated: FTP-14

Produced by special arrangement with Dramatists Play Service, Inc.

"Undeniably moving. It shatters the heart. The evening never lets us forget the inhuman darkness waiting to claim its incandescently human heroine." ~ Ben Brantley, The New York Times

"Kesselman's script honors Anne by restoring to the stage the fullness of her thoughts... It's Anne's diary. She is why the people in this attic have come to represent so many millions, why their story has survived, and why it remains so extraordinary in the telling." ~ Chris Jones, The Chicago Tribune

## GHOST QUARTET

Do you believe in ghosts?

Music & Lyrics by Dave Malloy; developed and arranged by Ghost Quartet

**October 25, 26, 31, November 1, & 2, 2019 @ 8pm, October 26, 2019 @ 3pm**

From the mind of Tony Award-nominated composer and lyricist Dave Malloy (Natasha, Pierre & the Great Comet of 1812) comes Ghost Quartet, a song cycle about love, death, and whiskey that spans seven centuries and connects four souls. A camera breaks, four friends get together to drink, and over the course of the night, the four are forever changed. Ghost Quartet is a mystical look at the stories we tell and why they endure.

Rated: FTP-MA

Produced by special arrangement with Blue Wizard Music, Inc.

*"Critic's Pick. Mr. Malloy is infectiously in love with the dark arts of storytelling in all its forms...Ghost Quartet slyly addresses the questions of why we want to believe in ghosts and feel the need to keep talking about them. And I promise you, you will believe by the evening's end." ~ Ben Brantley, The New York Times*

*"Ghost Quartet unfolds with a subtly seductive allure...tight harmonies, compelling characters, and rich musicianship draw us into a cozy world to explore our fascination with and connection to otherworldly spirits for a uniquely thrilling evening." ~ Terry Byrne, The Boston Globe*
